All our food is prepared in a kitchen where nuts, cereals containing gluten & other allergens are present and our menu descriptions do not include all ingredients. Please advise our staff if you have any food allergies, intolerances, coeliac disease, or other dietary requirement so that we can provide you with ingredient information to make a safe choice. As allergens are present on site and some of our ingredients have 'may contain' advice, we cannot guarantee menu items will be completely free from a specific allergen.
